

A startup incubator offering a hybrid of incubation and acceleration services while co-locating with the Spark Centre team and other tech startups.

WHY THRIVE?

Faster Market Entry

Focus on building your technology, achieving milestones, and growing revenues while the Thrive team provides advisory services, operational support, and key connections.

Reduced Startup Costs

Free access to office space, bookkeeping, admin support, and preferred rates on professional services such as legal, accounting, and IP.

Focused Environment

Avoid common start-up failures due to founder inexperience and lack of access to proper resources during critical phases by engaging with other entrepreneurs and seasoned industry professionals.

WHO ARE WE LOOKING FOR?

- Compelling business ventures with innovative technology focus
- Rapidly scalable, large market opportunity
- Strong, committed and coachable team
- Willingness to work day to day with the Spark team

HOW TO APPLY

Applications will be opened for each four month term, based on capacity. Applications will be assessed based on team capability, attitude, and commitment, ability to execute, strength of innovation, and potential to generate revenue and raise capital.
